# 1 About Shalby Hospitals

Shalby Hospitals, founded in 1994 by Dr. Vikram Shah, is a leading multispecialty hospital chain in India, globally recognized for its orthopaedic excellence. Operating 16 hospitals across 13 cities and 8 states, Shalby offers over 2,000 beds and comprehensive healthcare services.

## 1.1 Vision and Mission

**Vision:** “Exceeding expectations from health with high-quality, innovative, and affordable solutions enhancing well-being.”

**Mission:** “Leveraging global leadership in joint replacement to establish multi-specialty care across geographies.”

## 1.2 Key Milestones

- **1994:** Founded as a 6-bed hospital; performed 14 Total Knee Replacements.
- **2004:** Incorporated as Shalby Hospital Private Limited.
- **2007:** Established flagship hospital in Ahmedabad (201 beds).
- **2012:** Expanded to Vapi (146 beds).
- **2015:** Entered Indore (243 beds), Jabalpur (233 beds), and Mohali (145 beds).
- **2017:** Listed on BSE/NSE; added Jaipur (237 beds), Surat (243 beds), Naroda (267 beds), and Mumbai (150 beds).
- **2018:** Completed over 100,000 joint replacement surgeries.
- **2021:** Acquired Consensus Orthopedics (USA) for medical device manufacturing.
- **2022-2023:** Expanded SOCE centers in Udaipur, Lucknow, and Gwalior; licensed knee/hip implants in India and Indonesia.

## 1.3 Business Verticals

- Multispecialty Hospitals
- Shalby Orthopaedic Centres of Excellence (SOCE)
- Shalby Homecare
- Shalby Academy
- Slaney Healthcare
- Shalby MedTech
- Shalby Advanced Technologies Inc., USA
- Shalby Global Technologies PTE Ltd, Singapore

## 1.4 Accreditations

Certified by national and international organizations, ensuring advanced treatment and patient safety.

## 1.5 Chairmans Message

Dr. Vikram Shah, founder and Chairman, emphasizes quality healthcare and innovation through the “Zero Technique” for minimally invasive joint replacements, ensuring patients across the globe receive world-class care.

## 1.6 Board of Directors

- Dr. Vikram Shah (Chairman & Managing Director)
- Dr. Ashok Bhatia (Independent Director)
- CA Shyamal Joshi (Independent Director)

- **Gastrointestinal Cancer:** Comprehensive care for GI malignancies.
- **Ulcerative Colitis:** Management of chronic inflammatory bowel disease.
- **Viral Hepatitis:** Treatment for viral liver infections.
- **Liver Cirrhosis:** Management of progressive liver scarring.
- **Biliary Atresia:** Treatment for infant liver condition.
- **Autoimmune Hepatitis:** Management of chronic liver damage.

## 17.2 Doctors

- Dr. Divakar Jain - Senior Consultant & Head HPB & Liver Transplantation
- Dr. Utkarsh Shah - Consultant HPB & Liver Transplantation
- Dr. Manas Vaishnav - Consultant Hepatologist and Liver Transplant Physician
- Dr. Nishant Shiv - Consultant Hepatobiliary & Liver Transplant

## 18 Maxillofacial Surgery

**Specialty Description:** The Maxillofacial Surgery department provides advanced oral and maxillofacial surgical care, addressing conditions of the face, jaw, and oral cavity.

### 18.1 Doctors

- Dr. Krishna Farmwala - Consultant Oral And Maxillofacial Surgeon

## 19 Neuro Sciences

**Specialty Description:** The Neuro Sciences department offers advanced treatments for neurological conditions, including stroke, epilepsy, and neurosurgery, with cutting-edge endovascular and interventional procedures.

## 19.1 Specialties

- **Neurology:** Comprehensive treatment for neurological disorders.
- **Neurosurgery:** Advanced surgical care for brain and spine conditions.
- **Endovascular / Interventional Neurosurgery:** Minimally invasive neurosurgical procedures.
- **Stroke:** Timely treatment for stroke within the critical window.
- **Epilepsy:** Management of brain disorder causing seizures.
- **Trans Cranial Doppler (TCD):** Cutting-edge technology for stroke diagnosis and treatment.

## 19.2 Doctors

- Dr. Satyajit Dixit - Consultant Neurosurgeon
- Dr. Snehal Sherekar - Consultant Neurologist
- Dr. Amit Maheshwari - Consultant Neurologist
- Dr. Harshil Shah - Consultant Neurosurgeon
- Dr. Prashant Singh - Senior Consultant Intervention Neurology
- Dr. Tushit Mewada - Consultant Endovascular Neurosurgeon
- Dr. Nitin Kumar Gupta - Consultant Neurologist
- Dr. Hardik Darji - Consultant Brain and Spine Surgeon
- Dr. Pushpraj R Patil - Consultant Neuro Surgeon
- Dr. Riddhi Patel Dave - Consultant Neurologist and Interventional Neurologist, Stroke Specialist
- Dr. Vikas Patel - Consultant Neurologist
- Dr. Chetan Maniya - Consultant Neurologist
- Dr. Nilay Shah - Consultant Neuro Surgeon
- Dr. Sandeep Moolchandani - Consultant Brain and Spine Surgeon
- Dr. Nishta Jain - Consultant Neurologist
- Dr. Rishika Agarwal - Consultant Neuropsychiatrist
- Dr. Bhargav Prajapati - Consultant Neurologist
- Dr. Manoj Agarwal - Consultant Neuro Surgeon
- Dr. Tushar Shah - Consultant Neuro Surgeon
- Dr. Rakesh Redhu - Senior Consultant Neuro Surgeon

## 20 Obstetrics and Gynaecology

**Specialty Description:** The Obstetrics and Gynaecology department provides comprehensive care for women's health, including colposcopy, gynecological oncosurgery, and general gynecology, with advanced facilities for early detection and treatment.

### 20.1 Specialties

- **Colposcopy:** Early detection of cervical abnormalities.
- **Gynecological Oncosurgery:** Management of gynecological malignancies.
- **Gynecology:** Comprehensive care for women's reproductive health.

### 20.2 Doctors

- Dr. Charu Pathak - Consultant Obstetrics and Gynaecology
- Dr. Sunita Chaudhary - Senior Consultant Obstetrician and Gynaecology
- Dr. Ritu Gupta - Consultant Gynaecologist
- Dr. Himani Vyas - Consultant - Gynaecologist
- Dr. Snigdha Damani - Consultant Obstetrician, Gynecologist & Fetal Medicine Specialist
- Dr. Mamta Mehta - Consultant Obstetrician & Gynecologist
- Dr. Nidhi Kabra - Senior Consultant Obstetrician and Gynaecologist
- Dr. Ankita Dubey - Laparoscopy Surgeon and Infertility Specialist
- Dr. Megha Agrawal - Senior Consultant - Obstetrics & Gynaecology
- Dr. Juhi Patel - Consultant Obstetrics and Gynaecologist
- Dr. Avani Agrawal - Consultant Obstetrics and Gynaecology
- Dr. Sheetal Talekar - Consultant Gynecologist
- Dr. Vineeta Modi - Consultant Obstetrician & Gynaecologist
- Dr. Sneha Batle - Consultant Obstetrician & Gynaecologist

## 21 Onco Sciences

**Specialty Description:** The Onco Sciences department provides comprehensive cancer care, including surgical, medical, and radiation oncology, bone marrow transplants, and supportive services like onco-psychology, onco-dietetics, and home care.

### 21.1 Specialties

- **Surgical Oncology:** Expert cancer surgery for tumor removal.

- **Medical Oncology:** Advanced medical treatments for cancer.
- **Radiation Oncology:** Precise radiation therapy for cancer treatment.
- **Bone Marrow Transplant:** Life-saving procedure for blood disorders and cancers.
- **Onco-Psychology:** Emotional support for cancer patients.
- **Onco-Dietetics:** Nutrition support for cancer treatment and recovery.
- **Onco-Physiotherapy:** Physical rehabilitation for cancer patients.
- **Home Care:** Supportive care for cancer patients at home.

## 21.2 Doctors

- Dr. Viraj Lavingia - Consultant Medical Oncologist
- Dr. Ankur Mittal - Consultant Radiation Oncologist
- Dr. Dharmendra Panchal - Consultant Surgical Oncologist
- Dr. Sudhir Palsaniya - Consultant Medical Oncologist
- Dr. Hirak Vyas - Consultant Radiation Oncologist
- Dr. Nimesh Dahima - Consultant Radiation Oncologist
- Dr. Malti Bhagat - Consultant Medical Oncologist
- Dr. Ameya Bihani - Consultant Surgical Oncologist
- Dr. Aditi Bhatt - Consultant Surgical Oncologist
- Dr. Mitanshu Sharma - Consultant Medical Oncologist
- Dr. Ramjas Prajapati - Consultant Medical Oncologist
- Dr. Jitendra Kumar Sharma - Consultant Surgical Oncologist
- Dr. Ajay Singh Choudhary - Consultant Medical Oncologist
- Dr. Shivam Pandya - Consultant Surgical Oncologist
- Dr. Sanjog Jaiswal - Consultant Surgical Oncologist
- Dr. Naresh Kumar Jangid - Consultant Surgical Oncologist
- Dr. Aishwarya Raj - Consultant Medical Oncologist
- Dr. Parigna Trivedi - Consultant Radiation Oncologist
- Dr. Amit Gupta - Consultant Surgical Oncologist
- Dr. Kunal Gupta - Oral Cancer Surgeon, Dept of Head and Neck Oncology
- Dr. Ashwani Kumar Sachdeva - Consultant Surgical Oncologist

## 22 Ophthalmology

**Specialty Description:** The Ophthalmology department provides advanced eye care, including glaucoma surgery, neuro-ophthalmology, oculoplastic surgery, and cataract treatment, with a focus on preserving and enhancing vision.

### 22.1 Specialties

- **Glaucoma Surgery:** Advanced procedures to manage intraocular pressure.
- **Neuro-Ophthalmology:** Treatment for visual problems related to the nervous system.

### 22.2 Doctors

- Dr. Binita Thakore - Consultant Glaucoma Specialists
- Dr. Rujuta N. Shelat - Consultant Ophthalmologist
- Dr. Swati Jain - Consultant Ophthalmologist
- Dr. Hiral Dodia - Senior Consultant Ophthalmologist

## 23 Paediatrics

**Specialty Description:** The Paediatrics department specializes in neonatology and pediatric care, offering advanced treatments for newborns and children, with a focus on comprehensive health management.

### 23.1 Specialties

- **Neonatology:** Dedicated care for newborns with advanced facilities.

### 23.2 Doctors

- Dr. Manoj Kumar Sharma - Consultant Paediatrician
- Dr. Nehal Rana - Pediatrician
- Dr. Mehul Sindha - Consultant Paediatrician
- Dr. Sourabh Agrawal - Consultant Pediatrician

- Dr. Vijay Pratap Singh - Consultant Paediatrician
- Dr. Rajen Udani - Senior Consultant Pediatrician
- Dr. Diksha Asati - Pediatrician
- Dr. Krunal Patel - Consultant Pediatrician (NICU & PICU Specialist)
- Dr. Girima Jagiwala - Pediatrician

## 24 Pathology and Microbiology

**Specialty Description:** The Pathology and Microbiology department provides advanced diagnostic services, ensuring accurate identification and management of diseases through state-of-the-art laboratory techniques.

### 24.1 Doctors

- Dr. Julie Vyas - Consultant Pathologist
- Dr. Seema G. Bisane - Consultant Pathologist
- Dr. Anshu Hotani - Consultant Pathologist
- Dr. Sanjay Gandhi - Consultant Pathologist
- Dr. Pankaj Agrawal - Consultant Pathologist
- Dr. Manoj Sachdeva - Pathologist

## 25 Psychiatry

**Specialty Description:** The Psychiatry department offers specialized mental health care, addressing a wide range of psychological conditions with expert psychiatric interventions.

### 25.1 Doctors

- Dr. Kalrav Mistry - Consultant Psychiatrist

## 26 Pulmonology and Chest

**Specialty Description:** The Pulmonology and Chest department provides advanced care for respiratory conditions, including interventional pulmonology, allergy management, and sleep disorder treatments.

### 26.1 Doctors

- Dr. Pankaj Gulati - Consultant Pulmonologist
- Dr. Saurabh Vanzara - Consultant Pulmonologist & Allergist

- Dr. Himani Garasia - Consultant Pulmonologist
- Dr. Vishal Malviya - Consultant Interventional Pulmonologist
- Dr. Eshita V. Shah - Consultant Interventional Pulmonologist & Thoracic Oncologist
- Dr. Nikita Rajguru - Consultant Pulmonologist
- Dr. Sujal Patel - Consultant Interventional Pulmonologist, Allergy & Sleep Disorder Specialist

## 27 Radiology and Imaging

**Specialty Description:** The Radiology and Imaging department offers advanced diagnostic and interventional radiology services, including ultrasound, CT scans, and MRI, to support accurate diagnosis and treatment.

### 27.1 Specialties

- **Interventional Radiology:** Minimally invasive procedures for various conditions.
- **Diagnostic Radiology:** Accurate imaging for abdominal pain and other conditions.

### 27.2 Doctors

- Dr. Akshat Kasat - Radiologist
- Dr. Shubhra Mishra - Consultant Radiologist
- Dr. Pushpendra Shrivastava - Consultant Radiologist
- Dr. Archit Mangal - Consultant Radiologist
- Dr. Gargey Sutaria - Consultant Radiologist
- Dr. Deepali Brahmachari - Senior Consultant Radiologist
- Dr. Shwetang Solanki - Consultant Radiologist
- Dr. Suchita Jain - Consultant Radiologist
